Vote November 3rd!

The City of Germantown has placed a 2.5 mill Police Levy on the ballot (Issue #5). We are providing key information on this levy to increase resident awareness of the importance of supporting our Police Department:

- This levy will assist with officer retention, equipment purchases, and vehicle maintenance and replacement.
- The levy will ensure a more self-sufficient Police Department by generating an additional \$250K. The total Police budget is in excess of \$1.5M, of which \$1.2M is paid by the General Fund.
- With a majority of the General Fund supporting the Police Department, an increasingly smaller portion is available for street maintenance. This levy will free up additional general fund revenue for street repairs and resurfacing.
- This levy will cost a homeowner \$0.24/day or \$7.29/month with a \$100,000 valuation, and will ensure continuous police coverage 24 hours a day, 7 days a week, 365 days a year.
- Germantown has not requested a Police Levy for 17 years (since 2003).
