### Summer Safety Tips from Germantown Fire-EMS

We all spend more time outside during summer months. Here are a few tips from the EMS Department to avoid injury in the active months:

- Wear a helmet when riding scooters, skateboards, bicycles and ATV's.
- Never swim alone—children should always be supervised when in the water.
- Walkers/Joggers should stay off streets—use sidewalks or walk/bike paths. Wear bright, reflective clothing and only walk during daylight hours. Walk with a buddy—never alone. Stay hydrated—carry water with you.
